Tour Description:

Note: This itinerary can be reverse and adjusted if the starting point is Tel Aviv instead of Caesarea.

We meet at Caesarea National Park at 9:00am. As we explore the park we will consider the example of Philip the Evangelizer and how he may have viewed his new assignment. We will then discuss Peter's arrival, followed by Paul and Luke and how they would have prepared Cornelius and the congregation for the events of 70CE.

Depending on the order, we will either take lunch at Caesarea or Tel Aviv.

At Jaffa, we will walk for about two hours through the Old City and discuss the work of the apostle Peter in the city, and what became of the congregation here. There will also be an opportunity to see some of the local shops and to buy some local sweets. We will also highlight aspects of the more modern history and culture that gives the city its architectural features.
